

FREE HOUSEHOLD HAZARDOUS WASTE DROP-OFF DAY - Queen Anne's County Public Works is hosting a free Household Hazardous Waste, Latex Paint & Electronics Recycling Drop-Off Day on Saturday April 14, 8 a.m. to 2 p.m., rain or shine. The QAC Public Works Facility is located at 312 Safety Drive, Centreville, off of route 301. This service is limited to Midshore residents, not businesses. Please visit www.qac.org/civicalerts for more information on acceptable household hazardous waste items.

SEWER LINE CONNECTIONS - A reminder that the connection of sump pumps or down spouts to sewer lines is a violation of the Town Code. The Town has recently experienced an influx of groundwater in the sewer lines and may be conducting future smoke testing of the sewer lines to determine the sources of infiltration and any unauthorized connections to sewer lines.

LOST AND FOUND ITEMS - The Town Office has accumulated several items that were found and turned in by residents or employees of the town. We have sunglasses, gloves, hats, a watch, and several sets of keys. We have had these items for several months and if not claimed, will be disposed of or donated. If anyone has lost any of these items, please contact us or stop in to the Office to identify.

TOWN PICNIC PROPOSED - A Town Picnic has been proposed for some time in June. The Town is looking for anyone who would like to contribute by helping with the planning and offering ideas for the picnic. Anyone who is interested can contact the Town Office.

BULK PICKUP GUIDELINES – Now that the weather is getting warmer and allowing for more yard work, a reminder that the Town offers a bulk pickup service every Monday which can be useful in disposing of certain items including any bagged grass clippings, fallen leaves and twigs collected from yards. Please remember to follow the guidelines for bulk pickup as the Town will not collect your items otherwise. Tree limbs/branches *must be cut* to 5 ft. or less in length and 6 in. or less in diameter in piles next to other items, Leaves/grass must be bagged with *no other trash* mixed into the bags. Please leave these items for bulk pickup as there is no open yard burning allowed in Town. Please visit www.queenstown-md.com for more bulk collection guidelines.

WATER SHUT-OFF POLICY - As we advised previously, beginning with January, the town has implemented a new policy to shut off water to those who are delinquent in paying their water and sewer bills. Every month, we will send out notifications of delinquency and scheduled shut off dates to our delinquent customers. This is now a monthly routine, and customers should work to keep their accounts current to avoid shut off. If you have any questions regarding this policy, please feel free to contact the Town Office.
